PUPPY PROGRAM PACKAGES

PUPPIES 12 WEEKS AND OLDER

THE PERKS OF GOING WITH A PACKAGE! Our puppy programs promote healthy and happy puppies while keeping the cost of care affordable. These prepaid plans provide an economical yet thorough approach to the care of your puppy by bundling the preventative treatments recommended for dogs under a year old.

CHOOSE ONE OF THE FOLLOWING PACKAGE OPTIONS:

Included treatments are tailored specifically for puppies 12 weeks and older

THE TAILWAGGER

Our amazing "Tail Wagger" package is not only the real deal - it's the deluxe deal! This package includes all the vaccines your puppy needs until a year of age, it screens for parasites AND it prepares you and your puppy for spay/neuter surgery! **All while saving you over \$100!** Included in the "Tail Wagger" package:

- ✓ Complete Physical Exam (1)
- ✓ Technician Appointment (1)
- ✓ DAPP Vaccines (2)
- ✓ Bordetella Vaccine (1)
- ✓ Leptospirosis Vaccines (2)
- ✓ Influenza H3N2 H3N8 Vaccines (2)
- ✓ Rabies Vaccine (1)
- ✓ Deworming Series (2)
- ✓ Nail trim (1)
- ✓ Microchip (1)
- ✓ Fecal Test (Internal Parasite Screening) (1)
- ✓ Month supply of parasite prevention
- ✓ Pre-Anesthetic Blood Panel in Preparation for Spay/Neuter (1)
- ✓ 10% Off Spay/Neuter Surgical Cost

To receive discount, spay/neuter must be performed prior to puppy turning 6 months of age

THE STANDARD

Our "Standard" package includes the items outline above *except for* the following treatments, which are available for an additional cost at their a la carte price:

- Microchip (1)
- Influenza H3N2 H3N8 Vaccines (2)
- Pre-Anesthetic Blood Panel in Preparation for Spay/Neuter (1)
- 10% Off Spay/Neuter Surgical Cost

Remember to keep your puppy isolated from other dogs and from areas that are highly trafficked by other dogs until ALL VACCINES ARE COMPLETED. 'Highly trafficked' areas include spaces like dog parks, dog beaches, busy neighborhood sidewalks, etc.
